Invite you to

Ronni Abergel, Inventor of the Human Library®

Wednesday, September 4

5:00 pm - 8:00 pm

Student Life Building,
Leadership Lounge/Room III

The Human Library® provides a platform that gives voice to individuals to break down assumptions that can lead to greater acceptance and tolerance.

You as a ‘reader’ can check-out a title or ‘Human Book’ who is a volunteer willing to share their experiences and help bring understanding to counter bias, discrimination, prejudice, or stigma. Ask questions in a one-to-one conversation and unjudge someone.

Deadline to register as a Human Book: August 19, 2019.
